A Powerful Way to Work With Our Documents:

White Glove Service for Employers

- Under ERISA, employers are required to maintain written plan documents and provide Summary Plan Descriptions (SPDs) to participants – our service ensures you meet these obligations with ease.
- Just provide your information – we'll handle the rest!
- Uniq Benefits Solutions compliance experts will create your documents for you and perform non-discrimination testing
- Perfect for employers who want peace of mind and zero hassles

Guarantee

All wizard questions, tool tips, documents & non-discrimination tests are reviewed for compliance by ERISA attorneys.
